Dear CeCe,

As Just in Time celebrates our 20th Anniversary Year, thank you for investing in our next twenty years of impact and live-changing choices!

We recognize that what we've achieved is only possible because of our network of support from organizations like yours! That's why we're especially grateful for the recent investment of \$300 in the JIT mission from the San Diego Chapter of the American Payroll Association.

You help our youth succeed, despite increased challenges in housing access, inflation's impact on budgets, and the challenge to maintain positive mental health during times of increased obstacles and uncertainty. And the number of young people we served reached nearly 2,000 last year, with the support of 750+ volunteers and an impressive ecosystem of community partners.

As we continue to strengthen our reliable, responsive, real community here in San Diego, we'll also share our community-based model so young people with lived experience in foster care across the U.S. can benefit from our empowering services.

On behalf of the entire staff at JIT, thank you for helping us change the world . . . one grateful and inspired youth at a time,

P.S. Thank you so much for your first-time support and for including JIT in your luncheon. We appreciate that Cheryl took the time to bring the check to our offices!
